WISHING THE HAVAL FAMILY A VERY HAPPY NEW YEAR!

We hope the new year brings with it more joy, happiness and the best for you!

INTRODUCING THE HAVAL VOICE COMMAND

Say 'Hi GWM' and let your vehicle do the rest!

Introducing the all-new Haval voice command feature, with up to 175 commands!

This feature comes preinstalled in all new Haval Jolion 1.5T, Haval H6 1.5T/2.0T and Haval H6 HEVs. You can also update select existing vehicles such as H6 1.5T, H6 2.0T, and the H6 HEV. Book your Haval today!

FREQUENTLY ASKED QUESTIONS

Q: Which cars from Haval Lineup offer Voice Command feature?

A: Voice command now comes standard in all new Haval H6 HEV, H6 2.0, H6 1.5 and Jolion 1.5T. Jolion HEV does not support voice command as of yet.

Q: Which old variants can be updated to avail Voice Command?

A: All Haval H6 HEV and Haval H6 2.0 vehicles manufactured till date can be updated to activate Voice Command feature.

Q: Can Haval Jolion be updated to activate Voice Command?

A: Unfortunately, we can't update pre facelift Jolion to avail this feature and neither Jolion HEVs.

Q: Can Haval H6 1.5 be updated to activate Voice Command?

A: All Haval H6 1.5 variants manufactured after VIN 11341 can be updated to avail this feature. If your VIN ends with number above the mentioned, you can avail this feature by getting the software updated. If your vehicle VIN is older than the number mentioned, unfortunately the voice command cannot be activated.

Q: How can i get this update on my vehicle?

A: If your vehicle qualifies for this update, all you need to do is call your nearest Haval Dealership, book an appointment and bring your vehicle in for software update.

Q: How long would this software update take?

A: It depends on what software your vehicle is running currently; it should take approximately 30-40 mins for the complete update.

Q: Is this update free of charge?

A: Yes, it's completely free of charge!
